# ACCUFAST ®

# The ACCUFAST KT2

The ACCUFAST KT2 is the professional mailer's choice in a table top tabber. Speed, flexibility, reliability and simplicity are all featured in the KT2. It applies either one or two tabs per piece by using one or both of its self centering tabbing heads. The KT2 can be set up to run different types of tabs in different heads if necessary. Not only do you get performance, you get support from a local dealer or the KT2's factory in New York.

Mailers rely on their KT2s daily and count on us every once in a while. It doesn't work any other way.

# ACCUFAST KT2

- applies 1 or 2 tabs per piece
- tabs 15,000+ pieces per hour
- tabs pieces 5" to 16" wide, from 20 lb. thin to 1/4" thick, coated and uncoated
- runs a variety of 1" tabs: paper & clear, circles & rectangles, on rolls without tractor holes
- built-in waste take-up spools
- weighs 56 pounds
- measures 11"l x 19"h x 23"w
- uses 115 volts 2 amps 60 hz or 230 volts 1 amp 50 hz
- goes in-line with ACCUFAST and other tabletop Labelers   and Printers
- its outstanding feature is a pair   of independent tabbing heads – turn them both on to twin tab, turn only one on to single tab
